

On your Arrival at Shiz

Shiz expects undergraduate freshers to come into residence promptly on the date expected. Each student has been allocated an arrival slot, shown on your docking card. Students coming by river will be permitted to dock on the landing bay only between the times indicated on their parking card in order to unload their belongings.

Please note, as the docking bay in Shiz is limited to four boats at a time, please be quick in your unpacking and goodbyes. We know this is an emotional time for families to say farewell to their dear loved ones, but please be as swift as possible. You will see them again soon.

Note to those coming from other areas of Oz
You may be available to come into residence earlier and should write to the Admissions & Access Officer if you wish to do so. Special arrangements may be made for those to attend an Orientation Programme.

For those coming from Emerald City, there will be a team to collect you from the station.
